5. Fall Fest:

Sign up is filling up. Hot dogs will be provided for kids. Everything is in good shape. Silent auction is only live at the event. Kim detailed the items available at the auction. Cheri Cahill asked if we might add classroom specific items like dropping the lowest score, pick your own access teacher, lunch in the courtyard, and teacher activities, so we might add those items. Will be decided by the end of the week. Declan said to observe and see if we might consider moving offsite in the future.

6. Committee reports:

6th grade transition: Preparations for the Open House and Master schedules are being worked on. With the 3rd elective, the day will be lengthened and classes are shortened slightly.

Sea camp: Sea camp dates are back to back with GT Outdoor lab week. Cheri says that there are 26 spots open to students, and demand is high. There are 12 students are on the waitlist. She is working to see what can be done to accommodate everyone. Moving dates might be a possibility.
